

Job Opportunity

LOTTERY FUNDED

Senior Community Youth Worker - Based at various N-Gage locations

Part Time *(with potential to add extra schools work and evening sessions)*

Initial contract until 2020

Competitive hourly rates

Start date: Immediate

Driving: Essential

N-Gage is a Manchester based charity that gives young people at risk of education or social exclusion opportunities and skills to reach their full potential.

We would like to appoint someone with a passion for young people (who doesn't just want to sit behind a desk)!

Someone who wants to get out there and spend face to face time with young people. You would also be working closely with our small friendly team.

The role would be looking at the following areas; Trips, residentials, community projects and lots of face to face youth work. There is also an opportunity to get involved with schools work. As the Senior Community Youth Worker you will be required to drive our youth vehicles. Full training will be given.

Apply now by calling Claire;

0161 637 1302

or email us at;
